**INVITED**

**Sunday, April 27, 2025**

February 25, 2025

Dear Friends,

It is that time again! The *annual meeting* of the **Red Springs Cemetery Association** is scheduled for Sunday, April 27, 2025 as well as a memorial service for those individuals that have been buried in the cemetery since our last annual meeting. The meeting will start at approximately 1:30 pm and will follow the morning Homecoming Service and Pot Luck Lunch of Red Springs Baptist Church.

The Red Springs Cemetery Association has a new web page (<https://www.redspringscemetery.com/>) where you can find information regarding the cemetery, as well as a list of those buried in the cemetery. We are attempting to collect contact information and update our mailing list in addition to creating an email list thru the contact form on the website.

Also, I would like to remind everyone that the Red Springs Cemetery is maintained by love offerings. These love offerings help us keep the cemetery mowed and to take care of any other maintenance issues that arise. Last year we spent approximately \$10,000 on maintenance and only collected \$3947 in donations so we need your help! You can donate online, by scanning the QR code below, or by check made payable to the Red Springs Cemetery Association. If donating by check, please mail to Red Springs Cemetery Association, 133 FM 16 W, Tyler, TX 75706.

If you would like to purchase a brick as a memorial or in honor of someone the cost is \$150.00 with one name and \$200.00 with two names. The proceeds from the bricks go toward having the driveway constructed in the Cemetery. Donations for the driveway must be noted on your check for this purpose or you can also do this online as well. There is also a QR code below to be taken to that link.

I would like to thank everyone who regularly supports the Red Springs Cemetery Association, and I encourage both young and old that have plots in the Cemetery to make regular donations to the Cemetery so we can continue to maintain the Cemetery and keep it looking good.

Thank you,

Tim Thompson, President  
Red Springs Cemetery Association  
903-521-4937
